Pursuant to paragraph 3 of the Order Amending Order Regarding Discovery and Motion Schedule As Previously Amended (ECF 2676), the Walker River Irrigation District, Nevada Department of Wildlife, Lyon County, Centennial Livestock and Mono County, Desert Pearl Farms, LLC, Peri Family Ranch, LLC, Peri & Peri, LLC and Frade Ranches, Inc., the Schroeder Group, and the California State Agencies (California State Water Resources Control Board, California Department of Fish and Wildlife, and California Department of Parks and Recreation) (herein, the “Principal Defendants”), report to the Court and the parties on the status, as of December 1, 2021, of the Archive/Records Offices as defined in said Order. On or about October 18, 2021, the National Archives provided the following COVID-19 update:

On October 18, we began to recall more staff to our facilities. The number of staff depends on the transmission level (substantial, moderate, or low) in the county in which the facility is located.

With respect to research rooms, the following was stated: “as local public health metrics allow, our research rooms will open on a limited basis and by appointment only.” In addition, a virtual reference consultation is required by phone, video, or email prior to any scheduled appointment. Researchers are directed to check the “facility page” for details and updates with respect to specific facilities because the “situation can change based on local health conditions.”

As of December 1, 2021, the following information appears on the website for the listed facilities:

1. National Archives, Washington D.C. is closed due to an increase in COVID-19 cases in Washington, D.C.;
2. National Archives, College Park, MD. is open on a limited basis by appointment only;
3. National Archives, San Bruno (San Francisco) is open on a limited basis by appointment only;

1 4. National Archives, Riverside is closed due to an increase in COVID-19 cases in
2 Riverside County; and

3 5. National Archives, Seattle is closed due to an increase in COVID-19 cases in King
4 County, Washington.

5 Efforts are underway to schedule appointments, which are limited to a single day, in the only
6 facility on the West Coast, which is not closed, National Archives, San Bruno (San Francisco).
7 At present it is booking appointments two weeks out and our historian has appointments for
8 December 14 and 15, 2021.

9
10 As of December 1, 2021, the Nevada State Archives continues to be open with limited
11 hours from 10:00 AM to 2:00 PM on business days. As of December 1, 2021, the California State
12 Archives remains closed to the public; and the Water Resource Center Archives at the University
13 of California is now open to the public.
